

Dive Safety Through Education

Good Divers are ALWAYS Learning
Interested in Deep Diving?
How about Night Diving?
Or Wreck Diving?

Advanced SCUBA diver training lets you explore new dive sites and diving activities beyond your basic dive training. Underwater Explorers offers up to and including Instructor level training.

Sign up for our Advanced Diver course to increase your knowledge and safety. See what's at greater depths and see marine life that only come out at night. Dive the wreck that everyone's been talking about ... "The Spiegel Grove".

How about Nitrox? What *is* Nitrox and how can it benefit you as a diver. Find out by taking one of our Nitrox courses and try it out on your next dive.

Our Rescue Diver course combined with basic First Aid and CPR can prepare you for any unfortunate dive incidents.

Isn't it time to take better care of your dive gear? Learn how at one of our Equipment Maintenance Seminars.

Want to spear fish? Learn the secrets of spearfishing. Our course covers gear selection and maintenance, what to spear, how to spear it, local laws as well as an escorted spearfishing adventure into the Gulf of Mexico.

Openwater SCUBA Course

Our mission at Underwater Explorers is to provide our customers with a safe and enjoyable SCUBA diving experience through superior instruction and unparalleled customer service far exceeding industry standards.

Southwest Florida's Most Complete Diving Facility

In order to achieve our goals, we feel it is essential that you understand exactly what is expected of you.

You are about to embark on an adventure of a lifetime.

You will be entering into a new and exciting environment that without the proper education and appropriate equipment, could pose some risks. We can reduce those risks to an acceptable level, providing you with a lifetime of safe SCUBA diving adventures and excitement.

Your safety is our primary concern.

Therefore, it is essential that all students make a serious commitment of time and effort in order to learn and understand the materials and to perfect the skills we are about to teach you.

Equipment

For your safety and reasons of liability, personal SCUBA equipment not purchased at Underwater Explorers cannot be used in pool sessions, or on O/W training dives.

Total dive systems will be supplied during the pool sessions. Your instructor can assist you in selecting your own dive system prior to the certification dives.

Those who elect not to purchase their own dive systems are required to rent equipment from either Underwater Explorers or the dive operator for the certification dives.

No closed heel fins allowed in SCUBA classes

ADVANCED SCUBA & NITROX DIVER CLASSES ARE TAUGHT EACH MONTH
